Click the link above for more details. To search for a word or phrase hold down the "Control" key and press "F". 12.03.19: I have just added a number of new items to the TECHNICAL MECHANICAL section, these mainly relate to Glacier Bearings & include a very useful guide as to how to identify what has caused different types of damage to engine bearings.

Whats New - MK1 Performance Conversions

No, I haven't turned to the dark-side, but rather I am transcending sides. This article is probably the most important piece I have written to date, and in order to convey the full message, a bit of back-story is necessary. Hang in there with me, and by the end you will understand why I will never call myself a "lightworker" again.
