Introduction for Teachers It is highly recommended that this unit be used with the teaching unit on Macartney and the Emperor. Once students have read about China's negative response to Great Britain's aggressive demands for the expansion of trade and exchange of ambassadors, they will be prepared to appreciate more fully the Chinese perception of the Opium War and the conditions imposed upon ...

Teaching English as a foreign language (TEFL) refers to teaching the English language to students with different first languages. TEFL can occur either within the state school system or more privately, at a language school or with a tutor. TEFL can also take place in an English-speaking country for people who have immigrated there (either temporarily for school or work, or permanently).

Various legends tell of the presence of Buddhism in Chinese soil in very ancient times. Nonetheless, the scholarly consensus is that Buddhism first came to China in the first century CE during the Han dynasty, through missionaries from India.. Generations of scholars have debated whether Buddhist missionaries first reached Han China via the maritime or overland routes of the Silk Road.
