FCSF-Fostering - Foster Care S

Parenting or child rearing is the process of promoting and supporting the physical, emotional, social, and intellectual development of a child from infancy to adulthood. Parenting refers to the intricacies of raising a child and not exclusively to the biological relationship. The most common caretaker in parenting is the biological parent(s) of the child in question, although others may be an ...

Parenting - Wikipedia

Shared parenting, shared residence, joint residence, shared custody, and joint physical custody, all refers to a child custody arrangement after divorce or separation, in which both parents share the responsibility of raising their child(ren), with equal or close to equal parenting time. A regime of shared parenting is based on the idea that children have the right to and benefit from a close ...
