Recommended Reading on Residential Colleges Robert J. O'Hara (rjohara@post.harvard.edu) Published literature on residential college systems and house systems is not extensive, and much of what has been written exists only in the brochures, handbooks, and other ephemera that collegiate universities themselves produce in the course of their normal operation.

KITCHEN POLICIES & OPERATING PROCEDURES

Children go through phases of reading development from preschool through third grade — from exploration of books to independent reading. In first grade, children begin to read simple stories and can write about a topic that is meaningful to them. Find out what parents and teachers can do to support first grade literacy skills.
