- Welcome to UX Foundation's Interaction Design. I'm Dave Hogue and in this course we're going to explore the principles and processes for designing better interactions for nearly any product. We'll take an approach to Interaction Design that starts with psychology so that we can better understand people, what they need and how they think and behave. Then we'll take a deeper look at how people ...

- Hi, I'm Andy Schwanbeck. I'm a designer and an educator, and I'd like to welcome you to the foundations of design research. In this course, I'll explain the advantages that research adds to your design process. I'll share some big ideas with you about where the design profession is headed and how we promote the value of our work. Then we'll talk about different methods and tools used to ...
