The Shadowrun game mechanics are based entirely on a 6-sided dice system. The game is skill-based rather than class-based, but archetypes are presented in the main book to give players and gamemasters an idea of what is possible with the system.. Before the fourth edition, skill and ability checks worked as follows: all actions in the game, from the use of skills to making attacks in combat ...

Stress is the force per unit area on a body that tends to cause it to change shape.. Stress is a measure of the internal forces in a body between its particles. These internal forces are a reaction to the external forces applied on the body that cause it to separate, compress or slide. External forces are either surface forces or body forces. Stress is the average force per unit area that a ...
